

SUPPORTING CHILDREN WITH SPECIAL EDUCATIONAL NEEDS

We provide an environment in which all children with special educational needs (SEN) are supported to reach their full potential.

- We have regard for the Special Educational Needs and Disability Code of Practice (January 2015).
- We have in place a clear approach for identifying, responding to, and meeting children's SEN including disabled children with special educational needs
- We support and involve parents (and where relevant children), actively listening to, and acting on their wishes and concerns.
- We work in partnership with the local authority and other external agencies to ensure the best outcomes for children with SEN and their families.
- We regularly monitor and review our policy, practice and provision and, if necessary, make adjustments.

Procedures

- We designate a member of staff to be the Special Educational Needs Co-ordinator (SENCO) and give his/her name to parents. Our SENCO is: **Sandra Burgess/Amy Corderoy**
- The SENCO works closely with other colleagues and has responsibility for the day-to-day operation of our Supporting Children with Special Educational Needs Policy and for co-ordinating provision for children with SEN.
- We ensure that the provision for children with SEN is the responsibility of all members of the setting.
- We ensure that our inclusive admissions practice ensures equality of access and opportunity.
- We provide a broad, balanced and differentiated curriculum for all children.
- We apply SEN support to ensure early identification of children with SEN.
- We use the graduated approach system (assess, plan, do and review) applied in increasing detail and frequency to ensure that children progress.
- We ensure that parents are involved at all stages of the assessment, planning, provision and review of their children's special education including all decision-making processes
- We, where appropriate, take into account children's views and wishes in decisions being made about them, relevant to their level understanding.
- We provide parents with information on local sources of support and advice
- We liaise and work with other external agencies to help improve outcomes for children with SEN.
- We have systems in place for referring children for further assessment e.g. Early Help and Preventative Service, Specialist Teaching and Learning Service & Speech and Language Therapist.
- We provide resources (human and financial) to implement our Supporting Children with Special Educational Needs Policy.
- We ensure that all our staff are aware of our Supporting Children with Special Educational Needs Policy and the procedures for identifying, assessing and making provision for children with SEN.
- We provide in-service training for staff, parents and volunteers.
- We raise awareness of our special education provision via our website and prospectus
- We ensure the effectiveness of our special educational needs provision by collecting information from a range of sources e.g. action plan reviews, staff and supervision meetings, parental and external agency's views, inspections and complaints. This information is collated, evaluated and reviewed annually.
- We provide a complaints procedure.
- We monitor and review our policy annually.
